Principals Report

New Child Safe Standards

The new Child Safe Standards come into force from 1 July 2022. The Standards are compulsory minimum requirements for all Victorian schools to make sure our practices protect children and young people from harm. All children have the right to feel safe and be safe, but safety does not just happen. To make sure we are complying with expectations, we are currently reviewing many of our school polices. We anticipate the new school policies will be available on our website early next week. Please take the time to read them and provide us with any feedback.

School Dress Code

We are noticing a large number of students coming to school out of uniform. On these cold mornings it is understood that they may need extra layers of clothing. Please ensure that coats and jackets are worn over the top of school jumpers and not used as an alternative to school jumpers. Also, please make sure your child's clothing is labeled with their name as our lost property is growing at an alarming rate.

Student Mobile Phones

Students who choose to bring mobile phones to school must switch them off and give them to classroom staff on arrival. Each classroom has a secure storage area where mobile phones can be safely stored during school hours.

Construction of Our New Learning Spaces

Construction of our new classrooms is well under way. You may have noticed that rainy weather and newly dug ground makes for a muddy mess. Unfortunately, due to Covid related supply issues within the construction/building industries we are unsure of the exact completion date, but will keep you posted. We appreciate your patience with gate changes and other building impacts during this time.

Mr Joustra

I am happy to report that Mr Joustra is recovering nicely and we are expecting him back on board at the start of Term 3. In the meantime, if you have any concerns I would be happy to help.

BESSIE FROOD NETBALL

Tomorrow Friday 10th June is the annual Bessie Frood Netball Tournament.

This tournament is held every year in memory of Bessie Frood, a teacher and an active member of the Morwell Netball Association, died in a car accident many years ago.

Morwell Park has 3 teams of Grade 5/6 students playing teams from other Morwell and surrounding schools in the round robin tournament.

Parents are invited to come along and support the teams during the day.

Please Note: It is going to be raining tomorrow so please make sure you have a warm jacket/raincoat.
