**Principal’s Report**

**Electronic Sign**
Hopefully you have noticed our new electronic sign which has been installed on the BER building.

Depending upon the strength of your eyes you might even be able to read it travelling along Hourigan Rd. The sign will be regularly updated with notification of school events.

**Parent and Teacher Interviews**
A reminder that Parent and Teacher interviews are scheduled for Friday June 19.

Interview request forms have been sent home and times are allocated on a first come first served basis. Children will be dismissed at 12 noon on the day.

**School Medication Advice**
With the onset of this wet and cold weather we are seeing a number of children coming to school with medication.

It is vital that a **SCHOOL MEDICATION ADVICE** form (available from the office) is completed detailing medication name, type, dose and time etc., so that we are aware of the requirements.

It is imperative that this sort of information is communicated to our staff to safeguard everyone. Please don’t just rely on a slip of paper as speaking to the people concerned is also a practical and courteous way of managing this situation. Thanks in anticipation of your support in this matter.

**Inter School Soccer**
Congratulations to our school soccer teams who competed in the Morwell Schools competition on Friday last week.

Our girls team won two out of their three games to finish second overall and our boys team won all four games to finish in first place.

Good luck to our boys team who will now go on to the next level of competition.

**Student Interaction** (taken from the Parent School Relationships Policy).
Parent interactions with students should be for the purpose of praise and non-threatening. If the interaction is not for praise then no interaction should take place. Issues pertaining to student-student conflict must be handled through a teacher or the Principal.

**Speedy Recovery Miss Allison**
I wish a speedy recovery to Claire Allison who tore her Achilles tendon during netball for Morwell last weekend. She had surgery yesterday and will be unavailable for teaching for the short term.

Mr. Phillips will be replacing Miss Allison. Her parent teacher interviews will be postponed.

Morwell District Soccer Tournament

Last Friday was the Morwell District soccer tournament. It is a competition held every year at the Latrobe city sports stadium (Falcons 2000’s home ground). The moment we saw the other teams arriving in buses and mini vans we knew this was going to be a great competition, the intimidating looks they gave us made us worry about the final result of the tournament.

We started our pre game warm ups, no one could concentrate because of the nerves running through our veins. As the first game went past we started to get more confident. The final score Morwell Park 5-1 St Vincent's. After that we made a massive mistake, we underestimated our opponents, we won 1-0 against the team that finished last place. Our next game we versed the team that knocked us out last year Morwell Primary. The first half was evenly match but in the late stages of the second half Mat passed it to ANYIETH he shot from outside the box (18 yard) over the goal keeper and in. We defended for the rest of the match until the same opportunity came to Anyieth, he faked the shot, ran it inside and shot it over the goalkeeper. And the moment he shot the ball the whistle went off.

Coming first on the ladder and were about to play Tobruk St, both of us have not lost a single game and whoever one this will be the winner. The game attacked quickly and after 5 minutes Mat put the ball in the back of the net (scored) it built up our confidence and made us play better in the second half, we finished the game 5-nil and we were awarded the plaque.
