Principal's Report

Remembrance Day

Today our School Captains, accompanied by our Assistant Principal, attended the Remembrance Day service in Morwell. They delivered a public reading and laid a wreath on behalf of Morwell Park Primary School and our school community. We are incredibly proud of the way they represented The Park, demonstrating respect and maturity as they honoured those who have served and sacrificed for our country. Lest we forget.

2027 Prep Get Ready Days!

We are excited to welcome our newest Park kids as we prepare for the 2027 school year!
Our Prep Get Ready Days will take place over the next three Tuesdays:
·Tuesday 17 November
·Tuesday 24 November
·Tuesday 1 December
Each session will run from 2:15 pm to 2:45 pm and will give our future Preps the opportunity to meet their teachers, explore their classrooms and become more familiar with our school environment. These sessions are a wonderful way to help our newest students build confidence, make connections and feel comfortable as they prepare to begin their school journey at The Park.

Statewide Transition Day: Tuesday 8 December

Statewide Transition Day is Tuesday 8 December. All students will have the opportunity to spend time in their 2027 classrooms, meet their new teachers and get a taste of what next year will bring. Our Grade 6 students will also head off to their respective secondary colleges to familiarise themselves with their new learning environments and begin preparing for the exciting move to secondary school.

End of Year Celebrations

As we approach the end of the school year, there are lots of exciting events coming up across The Park, including special activities and celebrations, particularly for our senior students. We look forward to celebrating a wonderful year of learning, friendships and memories with all students and hope they will continue to demonstrate our school values and expected behaviours. When everyone does the right thing, everyone gets to participate and has a great time. Let's finish the year on a positive note!

Student Mobile Phone Policy Update

We have recently updated our Student Mobile Phone Policy to ensure expectations and consequences are clear and consistent. The updated policy will be available on our school website or from reception by the end of the week.

As with our previous policy, students must keep their phones switched off and securely stored throughout the school day, including recess and lunch. If a student breaches the policy and fails to hand in their phone, the device will be confiscated and a parent or carer will be required to collect it. A further breach will result in the student being asked to leave their phone at home.

We understand that some students carry phones for safety when travelling to and from school. However, all communication during school hours must go through the school office. Thank you for supporting these expectations and helping us maintain a safe, focused and positive learning environment at The Park.

Simone Richardson Principal.

PARENT AWARENESS

If your child plays Roblox, please be aware that students have reported being invited to content linked to LankyBox (e.g. “LankyBox Dark Side”) that is much darker and more intense than the usual Roblox experience.

WHAT ARE THE CONCERNS?

Students have reported content that includes:

- frightening and distressing themes
- discussions about suicide
- references to mental health conditions (e.g. self-harm, anxiety, depression)

This content is meant for adults and is not appropriate for primary school children.

HOW YOU CAN HELP

- ✓ Be mindful of what your child is watching and playing on Roblox and other platforms.
- ✓ Check and adjust privacy and invitation settings.
- ✓ Talk with your child about what they are seeing online and encourage them to let you know if anything feels scary or upsetting.

OUR AIM

To keep our students safe online and support positive, age-appropriate gaming experiences.
