Principals Report

ANZAC Day Acknowledgement
On behalf of the Morwell Park Primary School community, I would like to sincerely thank Mrs Disisto, our School Captains and our Junior School Leaders who represented The Park so beautifully at the ANZAC Day memorial on Saturday. Laying a wreath on behalf of our school is a meaningful act of respect, and they did so with great pride and maturity. We are very proud of them.

I would also like to thank students and parents who purchased the ANZAC badges or arm bands here at school. We were delighted to learn that our school raised \$224.80 to support our local RSL. What a great effort!

District Cross Country
We wish our students the very best as they head off to District Cross Country this Friday 1 May. It is always great seeing our students challenge themselves and represent our school. We know they will give it their all, and we are cheering them on.

School Council Meeting
Our next School Council meeting will be held on Thursday 7 May at 5pm. These meetings are an important part of how we work together to support the school, and I thank our council members for the time and commitment they continue to give.

Mother's Day / Special Persons Day Stall
Our Mother's Day/Special Persons Day stall will take place on Friday 8 May. I would like to thank everyone who has been involved in organising the event this year and those who have shown interest in manning the stall on Friday. We are grateful that we can provide this opportunity for students to choose something special for someone important in their life, and it is always a highlight for them.

Online Enrolments Now Available
We are pleased to share that our school is now using the Department of Education's new secure online enrolment system, **VicStudents**. This allows families to complete enrolment applications online and receive updates throughout the process.

The system is available for students enrolling in a Victorian government school for the first time, including 2027 Foundation (Prep) students and those transferring from interstate, overseas, non-government schools or home schooling.

Families can access the platform using a Service Victoria account. Paper enrolment forms are still available if preferred. If you have any questions or need support with this, please contact the school office.

A Quick Note on Curriculum Information
From time to time, we become aware of information circulating in the community that does not accurately reflect what is taught at our school.

I would like to reassure families that our learning content is aligned with the Victorian Curriculum and Department of Education guidelines and is always age appropriate.

If you have any questions or would like clarification, I encourage you to speak directly with our staff. We are always happy to help.

Simone Richardson,
Principal.

ANZAC DAY

We were incredibly proud of the respect, maturity and pride our JSC members showed while honouring the service and sacrifice of our ANZACs at last Saturday's ANZAC ceremony at the Morwell RSL.

Our students marched in the parade to the Morwell RSL cenotaph where our school captains Nadir and Regan laid a wreath. We thank them for representing our school community .

Thank you to everyone who purchased a badge we raised \$224.80.

LEARNING POWER LESSONS

Our focus for Term 2 Week 3 is:
We have a go in all class activities
**We know mistakes are a part of
learning**

How you can help:

- Give the message at home that mistakes are ok and model this for your child
- Encourage your child to have a go at things even if it feels hard

We learn about Expected Behaviours to make sure we are **connected, safe** and **ready to learn.**
