Principals Report

National Sorry Day and Reconciliation Week
This week we recognise National Sorry Day and National Reconciliation Week. These important events give us the opportunity to learn about and reflect on the history, cultures and experiences of Aboriginal and Torres Strait Islander peoples.
At Morwell Park Primary School, we want our students to grow up showing kindness, understanding and respect for others. Reconciliation is about building strong relationships, listening to one another and working together to create a better future for everyone. Throughout the week, students will take part in conversations and learning activities that help build understanding about Aboriginal and Torres Strait Islander histories, cultures and perspectives. It is important that our children learn the value of respect, inclusion and acceptance of all people.

District AFL and Netball
Good luck to all of our students competing in the District AFL and Netball competition today. We hope you have a fantastic day, show great sportsmanship and enjoy the experience of representing our school.

Woorabinda Camp – Grades 4 and 5
Our Grade 4 and 5 students are getting very excited for next week's Woorabinda Camp. As families start packing, we ask that all belongings are clearly named. Every year we end up with lots of lost clothing and items that we cannot return because they are not labelled. Please make sure things like jumpers, drink bottles, sleeping bags and bags have your child's name on them.

SSG Meetings
For a school our size, Student Support Group (SSG) meetings take a lot of planning and organising. If you are unable to attend your scheduled meeting, please contact the school as soon as possible to let us know. We really appreciate families keeping in touch.

Attitudes to School Survey
Our senior students are currently taking part in the annual Attitudes to School Survey. This survey gives students the opportunity to share their thoughts and feelings about school, including things like learning, wellbeing, relationships and how connected they feel to school.
The feedback we receive is very important and helps us understand what we are doing well and where we can continue to improve. We encourage all students to take the survey seriously and answer honestly so we can continue working together to make Morwell Park Primary School a positive and supportive place for all students.

School Hours
A reminder to families that school gates open at 8.30am each morning. Learning begins at 8.45am and finishes at 3.00pm.
We have noticed that many students are regularly arriving late to school. Arriving late can be upsetting for children and means they are missing important learning and classroom routines at the beginning of the day.
If your family is finding it difficult to get your child to school on time each day, please reach out to our wellbeing team. We are always happy to work together with families and help with strategies and support.

Simone Richardson, Principal.

LEARNING POWER LESSONS

Our focus for Term 2 Week 7 is:

We play fair

We are good sports when we lose

We report problems we cannot solve

How you can help:

- Play a game with your child and model how to be a good sport when your lose
- Encourage your child to play fairly

We learn about Expected Behaviours to make sure we are **connected, safe** and **ready to learn.**

NATIONAL RECONCILIATION WEEK

FLAG RAISING

Today two of our students Abby & Elijah represented Morwell Park at the Latrobe City Flag Raising event to celebrate Reconciliation Week.

Elijah & the Boorun Boorun Boys dance group performed at the event.
