### Principals Report

#### ANZAC Day Service

A huge thank you to our wonderful school captains and Miss D'Alia for representing us so beautifully at the ANZAC Day Service in Morwell last Friday. They did a wonderful job and we are very proud of them!

#### Mother's Day Stall

Our amazing Parents Association has worked hard once again to organise a Mother's Day stall, which will be held on Friday May 9th. It takes a lot of planning and effort to make events like these happen, and we are so grateful for their commitment and support. Please note, that due to camp scheduling, Grade 5 students will have the chance to purchase gifts on Tuesday, May 6th. A big thank you again to our P/A for their ongoing help making these events possible!

#### Student Arrival Time

Just a reminder that our school day begins at 8:45 am. While we understand that appointments or other circumstances may cause occasional lateness, we've noticed that some students are regularly arriving late. This is becoming a concern as they are missing important learning time each day. We kindly ask for your support in ensuring students arrive on time so they don't miss out on crucial lessons.

#### Winter Is Coming – Preparing

As the weather starts to cool it's important to start organising the items students will need for winter. Please ensure that your child has appropriate clothing to keep comfortable and safe during the colder months. Contact the school to arrange access to the second-hand uniform store if needed.

#### Behaviour Expectations at School

Open communication between parents, teachers and students is key to fostering a positive school experience. We encourage parents to talk with their children about the importance of following behaviour expectations at school.

Discussing the values of respect, responsibility, and kindness helps students understand the role they play in creating a positive learning environment. By reinforcing these expectations at home, you are supporting our efforts in school and helping your child develop strong character both in and out of the classroom. Together, we can ensure every student thrives in a safe and respectful school community.
