Harmony Day

In celebration of Harmony Day this Friday March 21st, we invite everyone to wear orange to show support for cultural diversity and inclusion. This special day is all about celebrating the unique backgrounds and traditions that make our community strong and vibrant. Let's unite to celebrate our differences and promote a sense of harmony for all!

Grade 3-6 Cross Country

Staff and students are looking forward to our School Cross Country event taking place next Friday 28th March. This is a wonderful opportunity for students to get involved in a fun and healthy challenge. All Grade 3-6 students are encouraged to participate, and it's always exciting to see them push their limits and support one another along the way.

Please make sure students come prepared with comfortable running shoes, weather-appropriate clothing, and a water bottle. Parents are welcome to come and cheer on their little athletes! We look forward to a fantastic day of fun and fitness!

School Attendance: Why It Matters

Going to school every day is the single most important part of your child's education. Every school day presents a new opportunity for your child to learn something valuable, and missing school means missing out on these chances to grow.

There's no "safe" number of days to miss school. Each day your child misses sets them back. This can have long-term effects on academic performance, as every missed day is linked to lower achievement in critical areas like reading, writing, and math.

By ensuring your child attends school regularly, you're setting them up for a stronger future and giving them the best possible chance to succeed.

Simone Richardson, Principal.

SCHOOL SAVING BONUS - Important Reminder

Please Action if you wish to use any portion of the \$400 School Saving Bonus on any school related activities.

If you wish to use any portion of the \$400 SSB on any school related activities (including excursions or camps) please note that you must go into the SSB Portal and allocate the money to 'Activities'.

You are not selecting a specific activity at this stage, rather an amount you wish to have available to use at the school.

We cannot allocate SSB monies to any school activities unless you have reallocated the funds in the SSB Portal beforehand.

This is a critical step in the process and must be done by each individual family using their secure SSB Portal login details.

The SSB Portal is integrated with the schools administration system and this allocation is required to allow the school to use the funds on your behalf. The SSB Portal works in \$50 increments.

Step 1. Decide what portion of the original SSB (\$400) you wish to use on Textbooks/Uniforms – if any.

Step 2. In the SSB Portal, reallocate the remainder of the \$400 to Activities.

Step 3. This will then enable you to use the funds on any school activities, excursions or camps in the future.

Please note: Any unspent SSB funds on 1 July 2025 will sit in your Family account indefinitely, the funds rollover for use in future years.
