Wednesday, 17th December	Gr 6 Graduation.

Principals Report

2026 Grade Structures

Planning for our 2026 year level structures is well under way. Tuesday 9 December is Statewide Transition Day when our current Grade 6 students head off to their Secondary College programs, our 2026 Preps join us for their transition session, and all current students will meet their 2026 teachers.

Important Dates

With only four weeks left in the school year, we have a very full calendar ahead. Please take a moment to check our Important Dates list so you do not miss anything. It is a busy and exciting finish to the year.

Special Lunch Day Thank You

A huge thank you to our wonderful Student Wellbeing Team and the parent volunteers who helped with today's special lunch. Preparing a whole school lunch for more than three hundred students is no small task and we are incredibly grateful for the time and effort that went into making it happen. It was a terrific effort by everyone.

Grade 5 Scienceworks Excursion

Our Grade 5 students will need to be up bright and early for their trip to Scienceworks on Friday 28 November. The bus departs at 7.30am which means students must be at school by 7.15am. Please remember full school uniform, lunch, snacks and a water bottle. The group is expected to return at around 4.00pm, families are encouraged to keep an eye on our Facebook page for updates during the day.

External Artworks Update

We are about to refresh some of our outdoor artwork. One of our Koorie mentors - Dylan Bentley, is a very talented artist and will be working with our First Nations students to create new cultural designs on the timber bollards near Gate 4. All Koorie students are invited to take part.

As these artworks will be refreshed again in future years, they will not be permanent. If any parents or carers would prefer their child not take part due to this, please contact me directly.

Welcome to Our New Families

We would like to extend a warm welcome to all of our new families joining The Park. It has been lovely meeting our new Prep parents during our transition sessions, and we are very excited about the partnership we will build as we support and educate your children.

Starting Primary School for the first time is a big step and it is very normal for the transition to feel like a learning experience for parents as much as it is for the students. Please know that we are here to guide you, support you and answer any questions you may have along the way. We look forward to working together throughout your child's journey at The Park.

Simone Richardson, Principal.

REMEMBRANCE DAY SERVICE

On Tuesday, November 11, our School Captains Serenity, Matthew, Nada and Tommy proudly represented our school at the local Remembrance Day service.

They joined members of the community, veterans, and local organisations in honouring those who have served and sacrificed for our country.

As part of the ceremony, our captains laid a wreath on behalf of the school to show our respect and gratitude. It was a meaningful occasion, and we are proud of our students for representing our school with dignity and respect.
