## Principal's Report

### COVID-19

Thankyou to our community for your support with our adjustments to school routine in response to the COVID-19 crisis.

Latrobe Community Health with our school nurses have put together education packages for our classroom teachers to use with students to help with their understanding of Coronavirus and preventative measures.

### Mid Year Reports

Our mid year reports have been made available today on Seesaw and if requested we will be able to print off a hard copy.

Due to the COVID response of remote learning our mid year reports have been modified.

We will be unable to provide our historical practice of in-school parent teacher interviews however upon request we will be able to arrange for teachers to phone parents.

### Dojo Lunch - Tomorrow

Children who had enough Dojo points were able to use their points to order a special school lunch.

Pre COVID children were aware of the various options available to use their dojo points, however as with many things adaptations have had to be made.

Children are awarded dojo points as an acknowledgment of appropriate positive behaviours including, school attendance, wearing uniform, successfully completing learning tasks and positive yard behaviours.

### School Council

School councillors are reminded that we will be holding a school council meeting at 5.00pm this afternoon in a room which will enable appropriate social distancing.

### End of Term Dismissal

Term 2 will conclude next Friday. We will dismiss our grade 6 and siblings at 12.50pm, grades 3-5 and siblings at 12.55pm and P-2 at 1.00pm.
