Principals Report

CCTV at Morwell Park Primary

Morwell Park Primary School uses a closed circuit television (CCTV) system across the school grounds. As part of our duty of care, we are committed to providing a safe and secure environment for students, staff and visitors. Our CCTV system helps support student safety, assists in managing inappropriate behaviour when required, and helps protect school property from vandalism and theft.

The school follows all Department of Education policy requirements relating to the use of CCTV systems. Further information can be found in our CCTV Privacy Notice available on the school website. If you have any questions or concerns, please contact the school.

Prep 2027 Open Day

Families with children starting Prep in 2027 are invited to attend our Open Day on Tuesday 19 May. Tours will begin at either 9.15am or 12.30pm and run for approximately 45 minutes. Families will have the opportunity to explore our school, visit learning spaces and meet members of our staff. We look forward to welcoming new families to The Park.

Student Attitudes to School Survey (Grades 4 to 6)

Each year, students in Grades 4 to 6 take part in the Student Attitudes to School Survey (AtoSS). This survey, provided by the Department of Education, helps schools better understand students' experiences, wellbeing and perceptions of school.

The survey will take place between 11 May and 12 June and generally takes between 20 and 45 minutes to complete.

Further information, including consent information, has been shared via Seesaw. If you do not wish for your child to participate, please contact the school via email at morwell.park.ps@education.vic.gov.au or send us a message through Seesaw.

Mother's Day Stall

A big thank you to our wonderful parent volunteers who have once again organised our Mother's Day Stall, taking place this Friday 8 May. Opportunities like this are always so special for our students and we are incredibly grateful to the parents and carers who give their time to make it happen while also supporting fundraising efforts for our school.

I would also like to give a special thank you to one of our tech-minded grandparents who generously created and donated a range of 3D printed items for the stall.

Smile Squad Update

We have been advised that the upcoming Smile Squad visit has been delayed by a couple of weeks. We thank families for their patience and understanding.

School Council Meeting

School Councillors are reminded that our next School Council meeting will be held tomorrow, Thursday 7 May at 5pm in the staffroom.

Simone Richardson,

Principal.
