Building Works 2022

I'm really excited about the \$5.2 million dollar building project which will commence at our school next year.

The building project will include the redevelopment of our current Prep area into an Early Learning Centre, the construction of 6 additional classroom spaces and the construction of multi purpose community access facility in front of our current reception/administration area. The building tender process is in the final stages with works scheduled for completion over the course of next year.

Prep 2022 Get Ready Days

Day 2 of our 2022 Preps 'Get Ready Days' will be held tomorrow from 9.15 – 10.00am. Staff will meet and greet children outside the front admin area. COVID safe practices are in place. Day 3 will be Friday December 3.

A reminder that our school will be closed on Monday October 22. This day will be utilised to revise essential curriculum and assessment.

The 2022 year level structures are currently being considered. Tuesday December 7 is the Statewide Transition Day where our current Grade 6 students transition to Secondary College, 2022 Preps attend and current students will meet their 2022 teachers.
