Principals Report

Air Purifiers

We recently received 20 air purifiers which are currently being installed around the school. The air purifiers are one of the Department of Education's strategies to reduce the spread of COVID.

Breakfast Program

Our breakfast program has finished for the year. A huge thankyou to our volunteers who come to work early each day to ensure this program is sustainable.

On behalf of the recipients of those free breakfasts I offer my immense gratitude.

Grade 6 Graduation

A huge thankyou to the grade 6 teachers for the time and effort they put into the afternoon aspect of the grade 6 graduation on Monday. Unfortunately we don't have control over the weather so the outdoor Presentation component of graduation has been postponed to next Monday at 6.30pm.

2022 School Book Fees

Following our procedure this year and in light of the financial challenges many in our community are facing there will be **no book fees** for 2022.

All children will have their books provided at the start of the 2022 year.

Prep Orientation Visit

Our new 2022 Preps attended for an orientation visit on Tuesday. It was terrific to see our new batch of Morwell Park students and I know our teachers are excited for the year ahead.

1.00 pm End of Year Dismissal

The school year formally ends at 1pm next Thursday following the final school assembly.

During the final day many children will be involved in classroom clean up as children should have taken their belongings home on Wednesday.

Lunch is not required on the last day.

Chris Joustra, Principal.
