17 & 24 November	2027 Get Ready Day. 2.15-2.45
18 November	Gr 6 SSG Meeting's.

Principal's Report

Prep Zoo Excursion

There is plenty of excitement building in our Prep classrooms as our youngest students prepare for their excursion to the zoo this Friday 6 November.Staff and students are looking forward to a wonderful day of adventure, discovery and learning as our Preps get to see some amazing animals up close.
A reminder to families that the bus will leave from school at 7.15 am sharp, children need to be at school by 7.00 am so please make sure your child arrives on time. Hopefully the excitement will make getting out of bed early a little easier for them .Full uniform is required along with hat, drink bottle, snacks and lunch.

2027 Prep Get Ready Sessions

While we are still very much focused on making the most of this school year, preparations for 2027 are well underway. Our teachers are continuing to support students with their learning and development, while also beginning to think about the important transitions that lie ahead.
For our youngest future students, the excitement is building as we prepare to welcome our 2027 Preps. Our upcoming Get Ready for Prep sessions will take place on Tuesday 17 November, Tuesday 24 November and Tuesday 1 December, from 2.15 pm to 2.45 pm.
These sessions are another wonderful opportunity for our newest Park students to become familiar with their school and build their confidence before their big first day next year.

Being Kind, Gritty and Focused

One of the things I love most about The Park is seeing our school values in action. Whether it is a student helping a friend, persevering with a tricky learning task or making a conscious effort to stay focused, these everyday moments are worth celebrating.

Every School Day Counts

As we approach the end of the year, I want to remind families just how important regular school attendance continues to be. It can be tempting to ease off a little as the holidays approach, but every day at school provides valuable opportunities for learning, friendships and personal growth. Our students have worked incredibly hard throughout the year, and we want them to finish feeling proud of everything they have achieved. Thank you to our families for continuing to support regular attendance and helping children arrive at school, on time and ready to learn.

Glasses for Kids Program

A reminder that our Glasses for Kids program will be visiting on Monday 16 and Tuesday 17 November for students in Prep to Grade 3. This is a valuable opportunity to support children's eye health, and we appreciate the work that goes into making these services accessible to our school community. Further information will be shared with relevant families.

A Little Reminder About Hats

With the warmer weather approaching, please remember that students need to have their hats at school each day. We want everyone to be able to enjoy their outdoor play safely, and having a suitable sun protective hat is an important part of that. It is also a great time to check that hats and other belongings are clearly labelled with your child's name.

Simone Richardson Principal.
