### Principals Report

#### Park Points Pop-up & Magic Show Reward

We're excited to be holding our first Park Points Pop Up tomorrow. Students have had the chance to spend their hard-earned Park Points on a range of fun experiences around the school.

There is something for everyone, including art and craft activities, sporting workshops, games sessions and a disco. Students have also had the opportunity to purchase tickets to a fun magic show happening on Friday.

These experiences are all part of our acknowledgement system, which celebrates students for their positive efforts. It is always wonderful to see our students recognised for being kind, gritty and focused.

#### Cross Country – Grades 3 to 6

Our Cross Country event is coming up this Friday 27 March and we are looking forward to a great day.

Grade 3 students will kick things off at 10:20 am, followed by Grade 4 at around 11:35 am. Both of these year levels will complete a 2 km course.

Grade 5 will begin their event at 12:00 pm, followed by our Grade 6 students starting at 12:30 pm. These students will take on a 3 km course.

Families are very welcome to come along and support. The track will start near Gate 1 and follow along Waterloo Creek. We wish all of our students the very best for the day. Have a go, do your best, and enjoy the run!

#### School Council

Our School Council continues to do an important job supporting the direction and governance of our school. Our first meeting for 2026 is tomorrow afternoon Thursday 23 March at 5pm in the staffroom. Thank you to our council members for the time and thought they put into their role – we are looking forward to working with you throughout the year.

#### Get Your Raffle Tickets Back!

Just a reminder to return your Easter raffle tickets as soon as possible. We've had a great response so far and there are some fantastic chocolate hampers up for grabs. The draw is coming up soon, so make sure you don't miss out!

#### Curriculum Day – Student Free

A reminder that our upcoming Curriculum Day is on Thursday 2 April. On this day, staff will be working together to build their understanding of the impact of poverty on learning and how we can continue to support every student at The Park. There will be no classes running on this day.

#### Final Day of Term 1

Due to the Curriculum Day, the final day of Term 1 is next **Wednesday April 1**. Students will finish at the usual time of 3:00 pm. It has been a busy and productive term, and we're really proud of the way our students have settled into the year.

We hope everyone enjoys a well-earned break and we look forward to seeing students and families back next term.
