Cyber Safety

Earlier this week Susan McLean from Cyber Safety Solutions presented to our grade 5 and 6 students.

Among the topics covered was the use of social media platforms such as Facebook and Tik Tok which all require users to be 13 years of age. Quite simply if your child is using such platforms THEY SHOULDN'T BE!!!

Orientation Day

Next Tuesday is Statewide Orientation Day where our 2021 Preps will attend our school from 9.00 – 10.30 am and our grade 6 students will begin their program at Secondary College.

It will also give our students an opportunity to meet their teacher for next year (other than our grade 4's who will be on camp and next year's grade 4's whose teachers are away on camp).

Grade 6 Graduation

On Monday our grade 6 students will be having their Graduation Lunch and Presentations here at school in the gym commencing from 12 noon.

We will be recording the Presentations and posting them on Seesaw that evening as this year given COVID we have had to adjust our program.

Curriculum Day Tomorrow

A reminder that there is **no school tomorrow** as we have a curriculum day.

Chris Joustra,
Principal.
