Principals Report

School Photos
School photos will take place this Friday 22 May.
Please note that all photo orders must be placed online, FAMILY orders by 4:30pm tomorrow, Thursday 21 May. Students are required to wear full school uniform.

Student Illness
I would like to remind families that students who have been unwell with vomiting or diarrhoea must remain at home for at least 24 to 48 hours after their final episode. While students may often seem much better quite quickly, they can still remain contagious for a period of time after symptoms have stopped.
Keeping children home during this time helps reduce the spread of illness throughout classrooms and across the school. We know that managing illness at home can be difficult for families so we appreciate your understanding and support.

Label Student Belongings
As the weather gets colder and students start bringing extra jackets, jumpers and winter items to school, we ask families to please make sure everything is clearly named.
Every year we end up with lots of lost property that can't be returned because there is no name on it. A quick label or permanent marker can make a huge difference and helps us get items back to their owners much faster.

Stand Up Project (SUP)
Over the past year, students across the school have been taking part in the Stand Up Project, which focuses on helping students build empathy, confidence and the skills to respond safely and positively in situations involving bullying or unkind behaviour.
The program has encouraged some really thoughtful discussions in classrooms around kindness, inclusion and standing up for others. It has also been wonderful to see our Junior School Leaders step into mentoring roles and work with our younger students throughout the program. They have done an outstanding job modelling leadership, kindness and respect, and should be very proud of the way they have supported others.
We would also like to remind families that our Parent Information Session about the Stand Up Project will be taking place in two weeks' time. This session will provide families with an overview of the program, what students have been learning at school and ways families can continue these conversations at home. More information about the session will be shared shortly and we encourage families to attend.

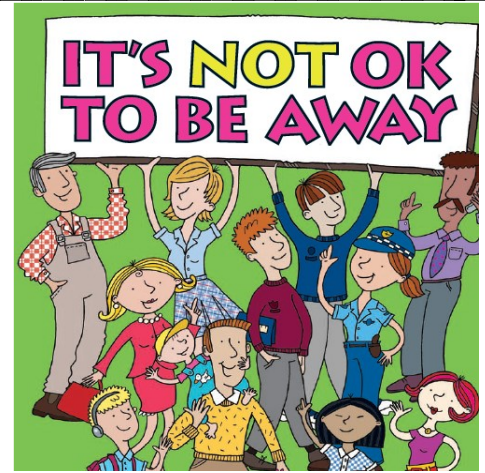

Simone Richardson, Principal.

LEARNING POWER LESSONS

Our focus for Term 2 Week 6 is:
We respect our friend's choices
We help others
We include others in games

How you can help:

- Ask your child to help you cook dinner
- Praise your child when they include their siblings or friends in games

We learn about Expected Behaviours to make sure we are **connected, safe** and **ready to learn.**
