Principals Report

Welcome Back

Welcome back for the final term of the 2022 school year. Term 4 is our busiest term with many happenings throughout the school. It is really important to check the newsletter each week, particularly the IMPORTANT DATES section.

Building Works

Building works have continued over the school holidays however the weather and skilled labour shortages have created a challenge. Weather permitting asphaltting for the basketball court will occur next Wednesday which will then provide access for our grade ones to move to the new classrooms.

On the day that asphaltting occurs (hopefully Wednesday) our Prep class will be provided with a free excursion as access to their classroom will be affected. Further information will be provided to the Preps once clearer predictions of weather/asphaltting can be made.

Color Run

Information will be sent home tomorrow regarding the school color fun run on Friday December 2 organised by our Parents Association.

Curriculum Day - Monday October 31

There will be no school for children on Monday October 31 as teachers will be participating in professional development activities.

The Melbourne Cup public holiday is the following day, Tuesday November 1 so it's a 4 day weekend for our students.

School Nurse

We have recently appointed our new school nurse Catherine Hector who will commence soon. I'd like to welcome Catherine to Morwell Park and it is great to have a school nurse back on deck.

School Council Meeting

A reminder to our school councillors that our next meeting is Thursday October 13.

Chris Joustra,

Principal.

December 2nd 2022

**SCHOOL
FUN RUN**

We're holding the *School Fun Run's Crazy Colour Day* as a major fundraising event this year! on **December 2nd 2022**. We are really hoping to raise **\$8000** which will pay for **Outdoor Play Equipment**.

Fundraising will begin on the 7th of October and will conclude on the 11th of November, so keep your eyes peeled for the sponsorship forms which will be sent home with your child on Friday. Once you have the form, you should sign up for a Student Profile Page at schoolfunrun.com.au. You'll be able to access online fundraising and can win a \$20,000 Ultimate Family Package! Students who raise \$10 or more will receive a reward, and the more money you raise the better the reward, and the more you help the school!

We're looking for all students to participate and we're organising a great day for our community, so we'd love everyone to come down to support the students.

If you have any questions about the Crazy Colour Day please contact the School Fun Run Office on 1800 FUN RUN.

Thanks for supporting the school and we hope to see you at the event!

Victorian High Ability Program – Term 4.

We are very proud to announce that some of our grade 5/6 students have been nominated to participate in the Victorian High Ability program for term 4.

The Victorian High Ability Program is a 10 week extension course where nominated children meet with like-minded peers at neighboring Victorian government schools through weekly virtual lessons (each Thursday morning) taught by expert Virtual School Victoria educators. Participants participating in their first session online – Lucas (literacy), Ronnie (literacy) & Rory (numeracy).

Pictured below are the students receiving their participation certificates for Term 3 (Liam absent)
