Principals Report

Woorabinda Camp

Our grade fours spent Monday to Wednesday at Woorabinda School Camp and the fives are currently there from Wednesday until tomorrow. Woorabinda Camp is funded by the Department of Education and therefore is able to provide a relatively low cost camp for local schools. As an ex Drouin Primary School student I can remember attending the camp in my grade 6 year back in 1976. It was a great camp back then and remains so now.

Prep 2025 Open Day

On Thursday May 16 parents of 2025 Prep students are invited to attend our school tours at either 9.15am or 5.30pm. The tours and information sessions will be for approximately 45min which will include an opportunity to visit our school facilities and meet staff.

Division Cross Country

Best wishes to those students who will compete at the Division Cross Country event after qualifying at the Morwell District Cross Country on Friday. Cross Country running provides a great opportunity to demonstrate our Grit Learning Power.

COVID & Flu

Although the publicity may have decreased COVID is still among us. We have many test kits available for collection from reception. If you suspect COVID please test and if positive stay away advisably for five days.

COVID can spread rapidly in a school environment and if staff are infected replacements are not available.

Mother's Day Stall

Our Parents Association have organised a Mother's Day stall for Friday May 10 (tomorrow). It's a great opportunity for children to purchase a gift and raise funds for our school. Many thanks to our PA for their continued support.

Bon Voyage Simone

Simone will be taking Long Service Leave for the next four weeks and we wish her a great break.

Kate Morehouse and I (our other school Principals) are available with anything you may have gone to Simone with during this time.

Chris Joustra, Principal.
