Principal's Report

Welcome Back to Term 4!

Welcome back for the final term of the 2026 school year! We hope everyone enjoyed the break and is feeling refreshed and ready for a busy and exciting term ahead. Term 4 is always super busy with lots happening across all grade levels and plenty to look forward to between now and the end of the year. With so much happening, it is really important that families check the newsletter each week, particularly the IMPORTANT DATES section, to make sure you don't miss any upcoming events, activities or changes to our usual school routine.

School Review

Later this term, Morwell Park Primary School will undertake our four yearly School Review. This is an opportunity to reflect on our progress, celebrate what is working well and identify areas where we can continue to improve. We look forward to receiving constructive feedback that will help shape our new four year School Strategic Plan and guide our priorities for the future. The review will help ensure we remain focused on providing the best possible learning, wellbeing and opportunities for every student at The Park.

Prep Swimming Program

Our Prep students will take part in their swimming program from Monday 12 October to Friday 16 October. Students should come to school dressed in their school uniform with their swimmers underneath. Please remember to pack a towel, change of underwear and a plastic bag for wet swimming gear each day.

Regional Athletics

We wish our students competing at Regional Athletics next Wednesday the very best of luck. We are incredibly proud of them for reaching this level and know they will represent The Park beautifully.

Dates for the Diary

Families are reminded that we have two days this term when students will not attend school. Monday 2 November is a Curriculum Day, followed by the Melbourne Cup Public Holiday on Tues day 3 November.

Simone Richardson

Principal.
