Principals Report

Parent Information Session – Respectful Relationships

We are looking forward to seeing parents at our Respectful Relationships information session tomorrow afternoon (Thursday 11th September). It will kick off just after 3.00pm in the Multipurpose Room at Our Place. This is a great chance to come along, hear what the program is about, and ask any questions you might have. We'd love to see you there.

Parent Opinion Survey

Thirty percent of our families have been randomly selected to take part in the Parent Opinion Survey. If you've received an invitation, we encourage you to share your thoughts with us. Your feedback is really valuable, it helps us identify areas for improvement, shape professional development for staff and guide our school planning.

Assembly News

It was wonderful to welcome parents and families to our first open assembly last week and to have you share in the celebration as our students received their recognition awards. We will continue to keep our assemblies open to families for the remainder of the year. If you plan on taking your child home directly from assembly, please remind them to bring their school bag with them.

Prep Enrolments 2026

We are now taking enrolments for our 2026 Prep intake. If you have a child starting school next year, or know of a family who does, please drop into the office to arrange a school tour or book an enrolment meeting. Early enrolment helps us plan for classes and ensures a smooth start for our newest students.

Production – The Countdown is On!

Our school production of High School Musical is just around the corner. The cast has been putting in a lot of effort during rehearsals and things are really starting to come together.

Tickets are available to be pre-purchased from the school office for \$5 per person. We look forward to seeing families there to enjoy the show. As seating is limited, we encourage families to purchase tickets early. We look forward to seeing you there!

Social Media

We are often contacted by parents asking the school to step in and sort out issues that have started on various social media sites. It's important to remember that, by law, children should not be accessing most social media platforms or apps until they are at least 13 years old. From December 2025, this minimum age will increase to 16. These age restrictions exist for a reason, children are simply not mature enough to manage the risks that come with social media. We ask families to support us by helping their children follow the guidelines and avoid using platforms that are not age appropriate.

School Council Meeting

Our next School Council meeting will be held on Thursday 18th August at 5.00pm in the staffroom.

Simone Richardson, Principal.

Stroll & Roll at Morwell Park PS!

We're excited to be part of Latrobe City Council's **Stroll & Roll Active Travel Program**.

All students have received a **passport** to track how often they walk, ride, scoot, or skate to school. To make it easier, we've created **Park & Walk zones** at Ronald Reserve and Burnside Drive. Students will earn rewards as they reach 10, 20, 30 and 40 days of active travel!

Start small with **Wake Up & Walk Wednesdays** – it's a great day to build the habit.
