### Principals Report

#### School Photos

A reminder that parents can still place an online order for photos until November 10.

School photos are organised by a photography business. Given COVID restrictions were only lifted a week prior to Tuesday's photo shoot we were very fortunate to have been able to provide them.

#### Prep Enrolments and School Transition

We are currently taking 2021 Prep enrolments. COVID restrictions have complicated the process particularly around transition sessions.

Currently we are unable to have any more than 10 Preps (2021) in the school at any one time. We are also unable to have parents in, however we are obviously still able to take enrolments.

#### Melbourne Cup Public Holiday

Next Tuesday is the Melbourne Cup Public Holiday and as such there is **no school**.

#### Cycling to School

As someone who rides to school most days myself I am very keen to have students cycling to school, however it is extremely important that those who do ride are able to display safety.

In most cases children under grade 4 would not have the awareness to ride safely and I would encourage parent supervision or simply not ride.

For older children parents need to be satisfied that their child can ride safely when unsupervised.

Cycling is a great way to get to school however it comes with added dangers and parents must be sure of their children's ability to be safe.

This includes making sure your child wears a helmet – **NO HELMET NO RIDING**.

# 2021 Enrolments

Enrolments are now under way.

If you have a child who will be attending Morwell Park next year please contact the office to arrange an appointment to complete the necessary paperwork.

If you know that your child/ren will not be attending MP in 2021 please notify the office.

Thank you.
