### Principals Report

#### Shrek the Musical JNR

Our cast and crew are incredibly excited for tonight's performance of Shrek the Musical Jr. at the PAC! Rehearsals today went amazingly, and our whole school has now had the chance to see this incredible show come together. Our students are absolutely shining, and we couldn't be prouder of them.

A huge thank you to Miss Didjurgies. Jacob and Alyssa, who have put in an enormous amount of time and effort to bring this production to life, supporting our students to learn their lines, build their confidence and get ready to take the stage. Thank you also to Mrs Owler, who has done an amazing job bringing together the props and helping make the production look incredible.

We are also incredibly grateful to the Our Place Create and Grow Group, who have contributed their time and talents to creating and preparing costumes for the production. Their work has helped bring the characters to life and made the show every bit as colourful, vibrant and magical as the movie!

Productions like this take an enormous team effort, and I can't thank our staff and community enough for the extra time, energy and care they have given to our students. We're so excited to welcome our parents, carers and families tonight and finally share what our amazing students and staff have created. We hope you love it as much as we do!

#### Division Athletics

Congratulations to all of our students who competed in Division Athletics yesterday! We hear that our team displayed fantastic sportsmanship throughout the day and did an amazing job representing The Park. We are incredibly proud of the way you competed, supported one another and represented our school. Some of our students competed well enough to make it through to Regional Athletics later in the year. Well done to everyone!

#### New Playgrounds

Exciting things are happening at The Park! Last week, all of our students had the opportunity to have their say by completing a survey about what they would love to see included in our new playgrounds. Their ideas and feedback are now helping to shape the designs, and we are hoping to have some initial proposals ready by the end of this Term. What an exciting time for our students! We can't wait to see their ideas begin to come to life and will keep our families updated as the project progresses.

#### Footy Colours Day & Early End of Term Dismissal

A reminder that this Friday, students are invited to dress in their favourite footy colours as we celebrate the end of Term 3!

Our final assembly for the term will begin a little earlier at 2.15pm, with students dismissed at 2.30pm for the school holidays. We wish all our students and families a happy, safe and relaxing break and look forward to welcoming everyone back for the start of Term 4 on Monday 5 October.

# Parent Opinion Survey

A random selection of our parents and carers have been invited via email to take part in the 2026 Parent Opinion Survey.

Your voice is very important to us, as we are about to head into our school review and this data will help to shape our future goals for improvement.

If you have been invited and haven't already completed the survey, please jump online and complete it within the **next 2 days**.

Your feedback helps make our school even better!
