Grade 5 Space Expo

Our Grade 5 students have been busy exploring the wonders of space and are excited to share their learning with their families! We warmly invite Grade 5 parents and special family members to join us this Friday 25th July, from 10:00 to 11:00am, to view the incredible

models and projects the students have created. Come and celebrate the hard work, creativity, and pride they have in what they've achieved. We can't wait to see you there!

The Stand-Up Project

We're excited to share that Morwell Park is taking part in The Stand-Up Project (SUP), a whole-school initiative aimed at creating a safe, respectful, and inclusive environment for all students. SUP brings together students, staff, and families to reduce bullying and discrimination, with a focus on peer-led leadership. Selected students will take on the important role of guiding their peers in building a positive school culture.

Parents play a key role too. By having conversations at home and attending upcoming information sessions, you can help reinforce the program's values. To learn more, visit www.thestandupproject.com

Our first School Council meeting for Term 3 will be held at 5:00pm on Thursday 7th August in the staffroom. A big thank you to our dedicated parent representatives for their ongoing commitment to improving our school, your time is greatly appreciated.
